May

- Third Tuesday in May: **BUDGET VOTE DAY**<sup>4</sup>

<sup>1</sup> The property **tax levy** is the total amount of property taxes the school district collects. The **tax rate** is the dollar amount per \$1,000 of assessed property value a property owner pays in taxes.

<sup>2</sup> Every year, school districts are required to calculate a "maximum allowable tax levy" under the **property tax cap** law. Exceeding the cap requires approval by a supermajority of voters (60% or more).

<sup>3</sup> **Fund balance** is money left at the end of the fiscal year due to underspending or taking in additional revenue. It can be applied as revenue to the following year's budget or saved for future need.

<sup>4</sup> If vote fails, the school district has **two choices** – resubmit the same budget or a revised budget for revote on the third Tuesday in June OR adopt a contingent budget.
